NATURAL ORGANIC REDUCTION (HUMAN COMPOSTING) PACKAGES:

Natural Organic Reduction, also known as Human Composting, is a gentle and environmentally sustainable process that transforms the body into nutrient-rich soil over 60 to 90 days using the body's natural microbial activity. The resulting soil can be returned to the family or donated to a protected forest in Washington State.

Natural Organic Reduction	\$6,950
(Human Composting)	

Includes the basic services of a funeral director and staff, the removal of the decedent from a hospital, nursing home, coroner's office, residence or Board-and-Care in Los Angeles County, Orange County, Riverside County, San Bernardino County, Riverside County, or Ventura County, sheltering the decedent in our licensed climate-controlled area, completion of the death certificate, disposition permit fee, the Department of Consumer Affairs fee, all applicable taxes, required combination shipping container and cold packs, coordination and transfer to Return Home (our partner natural organic reduction facility in Kent, Washington), bathing and sanitary care, and the complete terramation process (natural organic reduction). Includes two death certificates and delivery to a local airport for shipment. Includes your choice of: fingerprints, photographs, or locks of hair (up to two of these items when your loved one is presentable).

Additional Items That May Be Required:

- Additional certified copies of the death certificate (packages include 2)
- Airline fees (not included)
- Shipment or delivery of soil remains
- **Laying In Ceremony** at our partner facility in Washington State — \$1,000

A peaceful and meaningful ceremony where loved ones are invited to witness the placement of the body into the vessel that begins the natural reduction process. The ceremony is led by Return Home staff and offers families a moment of reflection and farewell before the transformation into soil begins.
