GENERAL PRICE LIST OF PRE-NEED CREMATION SERVICES

These prices are effective as of April 12, 2026, and are subject to change without notice. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. Direct Cremation is the disposition of the body by cremation without embalming, formal viewing, or ceremony.

If you elect NOT to purchase a package above, but prefer to pay full retail as indicated by the prices below, then these rates apply:

- A. Direct Cremation with Container Provided by Purchaser \$1,825
- B. Direct Cremation with Alternative Container \$2,025

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering.) The containers we provide are cardboard.

Our full retail charge for a direct cremation includes basic services of a licensed funeral director and staff; overhead fees including a set-up, processing, and administrative charge; Service Assurance Protection; removal of remains from hospital; sheltering of decedent in a licensed climate-controlled care center; transportation to crematory; filing documents with county; private cremation.

Prior to drafting any contract for goods or services, the responsible party or the decedent’s survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Itemized Selections

*Basic Services of Funeral Director and Staff	\$995
Availability of funeral director and staff, administrative services, including preparation of the death certificate, securing doctor's signature on the death certificate, filing with the proper authorities, securing cremation authorization and/or transit permit locally, clerical administration, and preparation of various forms, including Social Security and Veteran's Administration. This fee for our basic services and a designated portion of overhead costs, including a non-refundable set-up, processing, and administrative fee and a Service Assurance Protection fee, will be added to the total cost of the cremation arrangements you select and is already included in our charges for all pre-need direct cremation packages, including those for hydrolysis, and natural organic reduction.
